

### **Washington State 2018 Healthy Youth Survey**

Our district is participating in the Washington State 2018 Healthy Youth Survey during fall 2018. CWE sixth grade students will take the survey on October 17, 2018.

The Healthy Youth survey takes about 40 minutes and includes questions related to physical activity and diet, risks for injury, substance use, participation in school and community activities, support from community and school. The survey results are used by schools, communities and state agencies to plan programs to support our youth and reduce their risks.

Participation in the survey is voluntary and the students' answers are anonymous.

Please read the [Information for Parents and Students](#) for more information about the Healthy Youth Survey. If your sixth grade student did not bring the information sheet home, there are copies available in the office and on the school website.

If you have questions about this survey, please e-mail Assistant Principal, Dawn Hart. [hartd@edmonds.wednet.edu](mailto:hartd@edmonds.wednet.edu)
